TO HONOR INDIVIDUAL ACHIEVEMENT

In this day little recognition is given to individuals for outstanding achievements. The hard work and application put into the fullfillment on their high goals is little known to anyone except the winners of the laurels. As the fame of King

Arthur's Knights was spread around the countryside after each courageous feat, so will we, this year, acknowledge the notable performances of deserving individuals.

GIRLS' AND BOYS' STATE

The California Girls' and Boys' State are held each year, at the beginning of the summer, at the University of California at Davis. A representative from each of 521 California high schools attends the Girls' State. The delegates to Boys' State are chosen and sponsored by the local American Legion posts. Last year's representatives, now all seniors, were Toni Gripp, Steve Oboler, and Barry Wilder. All were selected on the basis of their scholastic achievement, leadership qualities, and ability to get along with others.

This program is to educate the students about government, for while at Davis, they participate in the program which is set up identically to the various phases of our state government with political parties and platforms, and city and county offices all being held by various delegates.

Next year's delegate to Girls State is Lynn Fox. We hope that she, along with the still-to-be-announced representatives to Boys State, will find the trip as enjoyable and as much of an experience as Toni, Barry, and Steve did.

TRIBUNE STAFF

The Journalism Staff, headed by Rosemary Woodlock in the winter semester and Bill Huyck in the summer semester, turned out a consistently excellent newspaper.

Awards won included a first prize for Best News Stories, second prize for excellence in the Community Chest Awards, and a first prize for overall excellence. All awards were given out at Journalism Day held on the campus of the University of Southern California.

Eliza's rather crude speech and code of ethics seem to be somewhat shocking to the upper crust of London's upper class: the Higgins family, associates, and domestics.

Everyone seems to be picking on Eliza today, and now they're suggesting that she isn't even a lady!

The good Professor Higgins, a student of phonetics, is certainly interested in the peculiar sounds which all seem to be coming from one person.

During the Middle Ages, there arose the legend of King Arthur and his Knights of the Round Table. King Arthur was a peaceful king and a diplomat—he met with the Knights about a round table which had no head and no foot so that all the men would sit as equals. The Knights were armed fighters on horseback who pledged their loyalty and their lives to the King. They promised to be gallant and fearless, and their swords were at the service of the helpless. Training for knighthood began at the age of seven as a page and ended much later as a squire. The boy had to learn to ride, to hunt with hawks and falcons, to duel with spears and lances, to serve the King, and respect those older than himself. When the squire became a man of 21, he knelt before the King who touched his shoulder with a sword and said, "I dub thee knight." This was called the accolade. Along with the vows of knighthood came great honor and praise. Later, if a Knight showed superior bravery or skill, he was given a badge, a jewel, or a star by the King and made a member of an honorary order.

The Emirian Officers and Cabinet guided the class of Winter 1963 through the last 20 weeks of their high school career. Having attended Taft during its first two growing years, the Emirians were a part of every phase in building the fine character Taft now has. As the years go by we will be reminded of the Emirians when we look at their gift to the school, the trophy case in the main hall. We will also keep in mind their class motto—"Today Decides Tomorrow."

The Ephebian Society is a civic betterment and service organization whose membership is composed of citizens who were graduated from the Los Angeles area high school and selected for membership in the Society by the faculties and senior classes of their high schools on the basis of outstanding character, leadership ability, high scholastic achievement, and demonstrated service. The Society's major purpose is to focus the attention of the outstanding graduates upon matters of civic and community leadership, betterment, and service, and inform and encourage the membership to active participation along these lines.

Members pledge themselves to "transmit this city, not only, not less, but far greater and more beautiful than it was transmitted" to them, first, by leading lives of civic inspiration in whatever vocation they choose, and second, by contributing to the work of the Ephebian Society. The young citizen who accepts election to Ephebian membership is not only honored for fine past performance, but, also, obligated to continue along the same path by entering whole-heartedly into civic and community work.

The three-legged race ends with a crash as Betsy Najjar lands on Kay Albrecht.

Bev Kuechlin and Marlene Brenton line up teams for the sack race. Terry Mullins and Heather Lee look on wondering whether it's worth it.

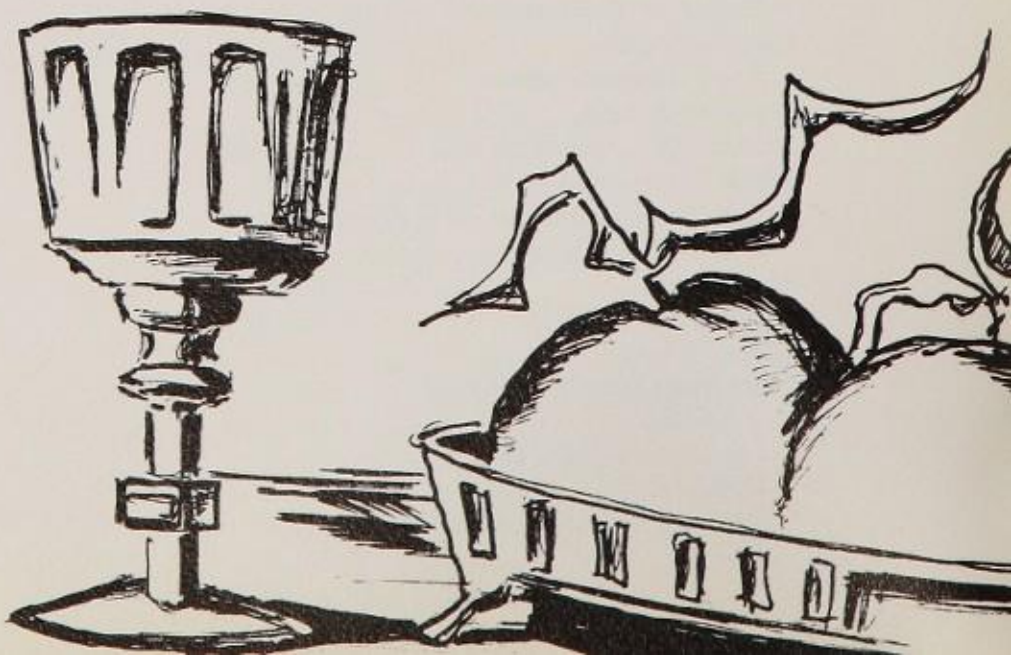
A Last Feast,

The Emirian Senior Breakfast was held one morning in Taft Hall and included not only a meal of French toast and ham but such entertainment as the senior cabinet skit and the presentation of special awards.

January is the perfect time to sing "Summer Place" especially when Francine Simon and Carlie Weston are the performers.

Dave Alkire, the top male intellectual in his class as well as the A12 President, speaks to the Emirians at their breakfast.

The Student Body President, Jerry Ravin, shakes hands with Mr. Reedy, the Emirian class sponsor.



Then the Accolade.

The basketball court echoes with the tuning of the band as excited parents enter the gym and

the graduates prepare for their entrance; and

Well, this is the end of a perfect
day,
Near the end of a journey too;
But it leaves a thought that is
big and strong.
With a wish that is kind and
true.

Carrie J. Bond

finally, as Shakespeare so aptly said, "If you have tears, prepare to shed them now." The graduation will soon begin and each will receive his accolade.

Memorable

This is thy hour, O Soul, thy free flight into the wordless,
away from books, away from art, the day erased, the lesson done,
Thee fully forth emerging, silent, gazing, pondering themes thou lovest best:
Night, sleep, death, and the stars.

SONG OF THE OPEN ROAD

Afoot and light-hearted I take to the open road,
Healthy, free, the world before me,
The long brown path before me leading wherever
I choose.

Henceforth I ask not good-fortune, I myself am good-fortune,
Henceforth I whimper no more, postpone no more, need nothing,
Done with indoor complaints, libraries, querulous criticisms,
Strong and content I travel the open road.

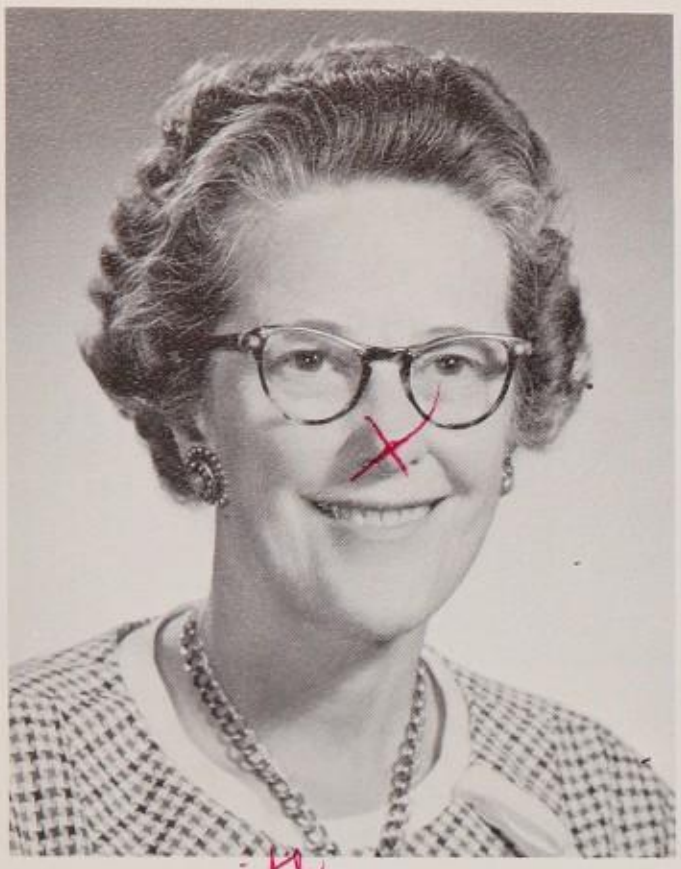
FACULTY

Past and Present



As fuel is needed to kindle a fire, so a principal is needed to kindle school spirit. For the past three years, the spirit of Mrs. Elizabeth Goetten, principal, has sparked Taft. Her personal interest and understanding have earned her much respect and many friends. In three years, Mrs. Goetten has seen Taft grow from 1700 students to 2700 and has helped Taft graduate good students and good citizens.

"Let's make this a good week!"

Anita, There are quite a few things I want to tell you. I wish it would be more but it's the years. I hope we are still close friends, because I really do treasure our friendship. I very much All my love Kathy

A Gracious Lady

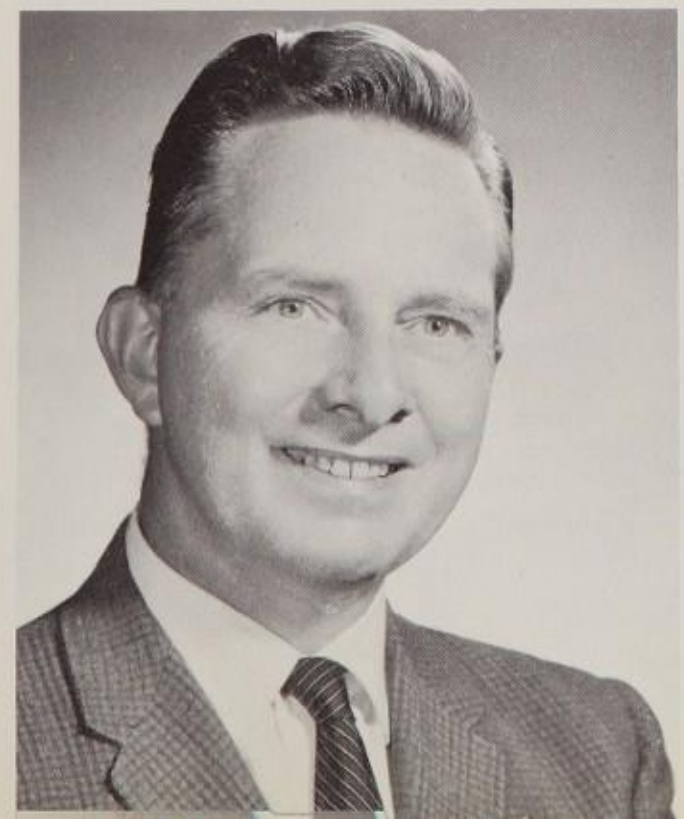
Mrs. Eva Kirby was born on St. Patrick's Day in Huntington Park, California. After graduation from Huntington Park High School, she attended the University of California at Los Angeles, where she received her Master of Science degree in Biology, and later taught at Dorsey High School. Mrs. Kirby was then appointed Girls' Vice Principal at Van Nuys High School. Seven years later, Mrs. Kirby came to be Vice Principal at a new high school: William Howard Taft. From the time Taft opened in 1960, Mrs. Kirby gave much of herself to create traditions and high standards for Taft. In addition to being sponsor of Ladies, Mrs. Kirby gave her attention to Girls' League, G.A.A., and various other Taft organizations. She has given much to our school, and we shall be forever grateful to her. Taft wishes Mrs. Eva Kirby, a truly outstanding lady, the best of luck as principal in her new school, Verdugo Hills High. Taft High School is an outstanding school because its foundations were laid with Mrs. Kirby's guidance.

Administrators Guide Taft

Mrs. Jeanne Carmichael, Girls' Vice Principal, new to Taft High School this year, said she was immediately made to feel at home by Taft's energetic, personable staff and students. Just prior to coming to Taft in December, Mrs. Carmichael was a supervisor in research for the Los Angeles City Schools. She has taught at Birmingham, the University of Arkansas, and San Fernando Valley State College.

Aside from assisting girls at Taft, Mrs. Carmichael helps choose deserving young women for scholarship grants given by various women's clubs. Sharing her busy life with her husband, she plays the organ, works for charity groups, reads, dances, listens to music, and takes care of one dog and four cats.

Mrs. Madelyn Carrigan takes care of the piles of paper work in the Vice Principals' office.



Like King Arthur, Taft's Arthur, Mr. Arthur Curtis, displays his fine leadership qualities. Completing his third year as Vice Principal, Mr. Curtis is respected by both faculty and students. Literally as well as figuratively, Mr. Curtis aids the boys at school with a firm hand and supervises many school activities such as athletics, Boys' League, Squires, and Knights.

After school hours, Mr. Curtis finds time for such hobbies as swimming, wood finishing, and fishing.

Administrative

Mr. Whitehead, Taft's head counselor, scrutinizes next year's schedule of classes.

In the Attendance Office, Mr. Petit spends many hours enrolling new students, issuing bus passes, and sometimes listening to students' weak absence excuses.

Mrs. Marqusee, Main Office secretary, makes sure that Taft runs smoothly.

Offices

Taft's finances are carefully tabulated by the financial manager, Mrs. Janet House, and her assistant, Mrs. Deister.

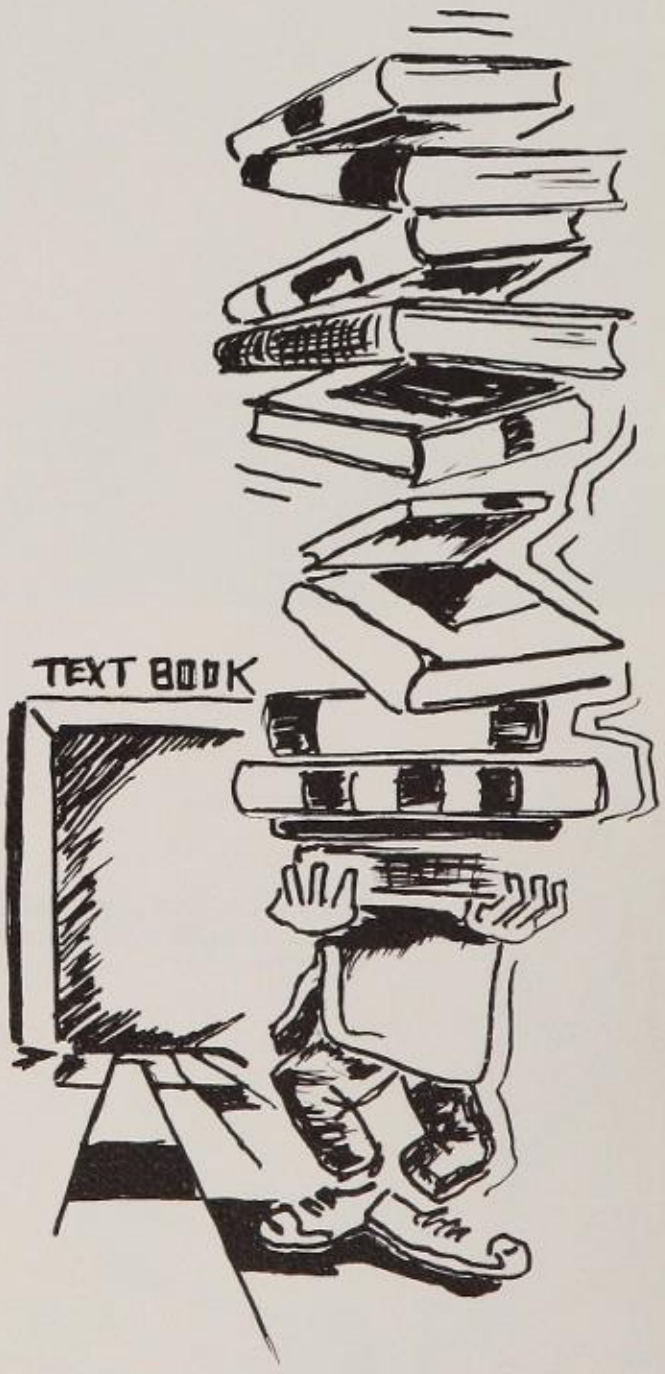
The Main Office clerks find time to pose for a picture during their busy workday. Left to right: Mrs. Marqusee, Mrs. Fowler, and Mrs. Voydé.

Mrs. Adams and Mrs. Paul aid students as well as counselors in the Counselors' Office.

Attendance Office personnel welcome new students and readmit returning ones. L. to R.: Mrs. Edwards, Mrs. Furedy, Mrs. Falotico, and Mr. Pettit.

Admiring new editions to our evergrowing library are Mrs. Clayton, textbook clerk; Mrs. Fox, librarian; Mrs. Teuscher, assistant librarian.

While Mrs. Smith, health coordinator, admits one sick but still smiling student to the Health Office, Miss Hedlund, Taft's nurse, renders advice to another.



Cafeteria workers prepare and serve food to hungry Toreadors. Left to right: R. Bailey, R. Schoneman, F. Bright, L. Lambert, P. Hudson, E. Kleinberg, L. Canfield, R. Wixon, N. Buttetta, M. Ripley, H. Patton.

Under the supervision of Mr. Fry, Taft's custodial staff renders many services. Standing L. to R.: Ingram, Ringwood, Rattliffe, Griffiin, Mink, Kruse, Gregor, Roach, Sullivan. Kneeling, L. to R.: Dnikleb, Waters, Padula, Fry, Hunt.

Taft's efficient gardeners keep the school grounds beautiful. L. to R.: R. Cochran, L. Paxton, W. Magill, E. Johnson.

"All right class, louder; everyone sing along!"

At the end of a lecture, Mr. Bower emphasizes the point he wants his students to remember.

Language teacher, Mrs. Casas, shows her class how to trill their "r's" for proper Spanish pronunciation.

AMERICA WAS SCHOOLMASTERS

America was forests,
America was grain,
Wheat from dawn to sunset,
And rainbows trailing rain.

America was beavers,
Buffalo in seas,
Cornsilk and the johnnycake,
Song of scythes and bees.

America was brown men
With eyes full of the sun,
But America was schoolmasters,
Tall one by lonely one.

They hewed oak, carried water,
Their hands were knuckle-boned,
They piled on loads of syntax
Till the small boys groaned.

They taught the girls such manners
As stiffened them for life,
But made many a fine speller,
Good mother and good wife.

They took small wiry children,
Wild as panther-cats,
And turned them into reasoning
Sunny democrats.

They caught a nation eager,
They caught a nation young,
They taught the nation fairness,
Thrift, and the golden tongue.

They started at the bottom
And built up strong and sweet,
They shaped our minds and morals
With switches on the seat!

PRESIDENT'S MESSAGE

For the Emirian class of W'63 the wonderful years of high school have come to an end. But from the end shall spring a bright and new beginning. It is now, when we take our last bow, that we wish to thank those who have so patiently guided us to the threshold of success, our teachers.

With the end of the semester here, I would like to express my thanks for the fine support and cooperation I received from the student body and the faculty. I shall forever be indebted, for without constant backing I could not have achieved my sole purpose which was to serve. I truly hope that I have accomplished this goal.

As I must go, you who remain must go on. For when you leave, you will feel as I do now. Taft has changed and will continue to change, but only in structure. The thing that will always remain is that intangible something which we are so proud of, the "Toreador Spirit."

Taft is the finest and will always remain so. Let her live in our deeds, in our thoughts, and in our feelings. Let her forever be strong.

In this, my final good-by, may I again say "Thank you." I shall always be grateful to you for making this semester so wonderful. Be good, be strong, and fight on.

Sincerely,

Jerry Ravin

HOUSE OF REPRESENTATIVES

The House of Representatives meets bi-monthly to aid the Student Cabinet with the many problems that arise during a school year. Every second period class elects one representative who informs them of the Student Cabinet's work and who relays to Student Cabinet his class' feelings about matters brought up within the House. Many issues are decided through votes taken by the House members or from feelings expressed by them. The main object of the House is to relay the feelings of the Student Body to the legislative body so that Taft will have a truly democratic government.

Cheerleaders, Top: John Tremblatt, Tay Vizdale.
Bottom: Bob McMullin, Brian Cochren.

THE CHEERLEADERS

Cheerleaders, always essential to the spirit of a school and to the sports activities, arouse spirit in the students by yells, pep assemblies, and pep club sections at athletic events. The success of these activities is dependent on the leadership of these boys.

Row 1, L.-R.: K. Carr, L. de Shazo, J. Kringlen, B. Beck, G. Robinson, C. Burrill, Mrs. Rich, Mrs. Harrar, Mrs. Jensen. Row 2: E. Chelnek, A. Potter, D. Langdon, A. Jacobson, J. McLeod, R. Hall, C. White, J. Peterson, M. Sizemore, L. Fox, C. Vaillencourt, A. Campbell.

THE GIRLS' LEAGUE

Girls' League is a service organization set up to help Taft girls form a more closely knit group. Activities sponsored by Girls' League are the Christmas Formal, The Vice Versa Dance in the Spring, Las Chicas, May Day, and Girls' League Assemblies. Enthusiasm, hard work, and a willingness to help are just a few of the qualities possessed by the members.

THE BOYS' LEAGUE

Representing some 1500 boys, the Boys' League provides semester activities that offer a means by which each boy can take part in government, community, and school projects. *League Lines,* their publication, is the only paper put out by any Boys' League in the L.A. City Schools. They also sponsor the Christmas Formal, sportsnights, boys of the month, and boys' assemblies.

Student Leaders

Terry Steyer
Student Body President S '63

During the summer semester of 1963, Student Cabinet hosted the annual California Association of Student Councils (C.A.S.C.) conference on Taft's campus. Twenty-two schools sent delegates from their student cabinets. Rev. David Sharpe of the Northridge Methodist Church gave an inspiring address. At the close of an opening session, delegates adjourned to discussion groups led by council members from Reseda High School. Luncheon was held in Taft Hall. Representatives were entertained by Taft students who had performed in the talent show presented to the student body at an earlier date. At the conclusion of lunch, delegates again organized discussion groups until 1:25 when the closing session was held in Oral Arts.

The C.A.S.C. conference provided an opportunity for student leaders to discuss the problems and situations common to their schools, and offered suggestions to other schools who might profit by their experience.

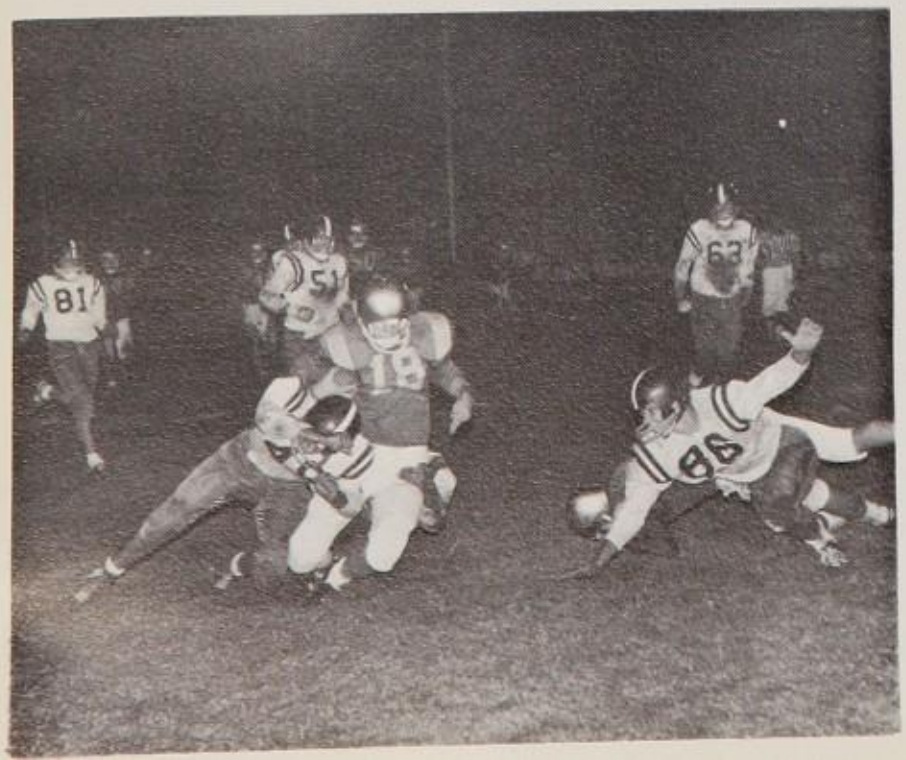
Toreadors Gain Fame

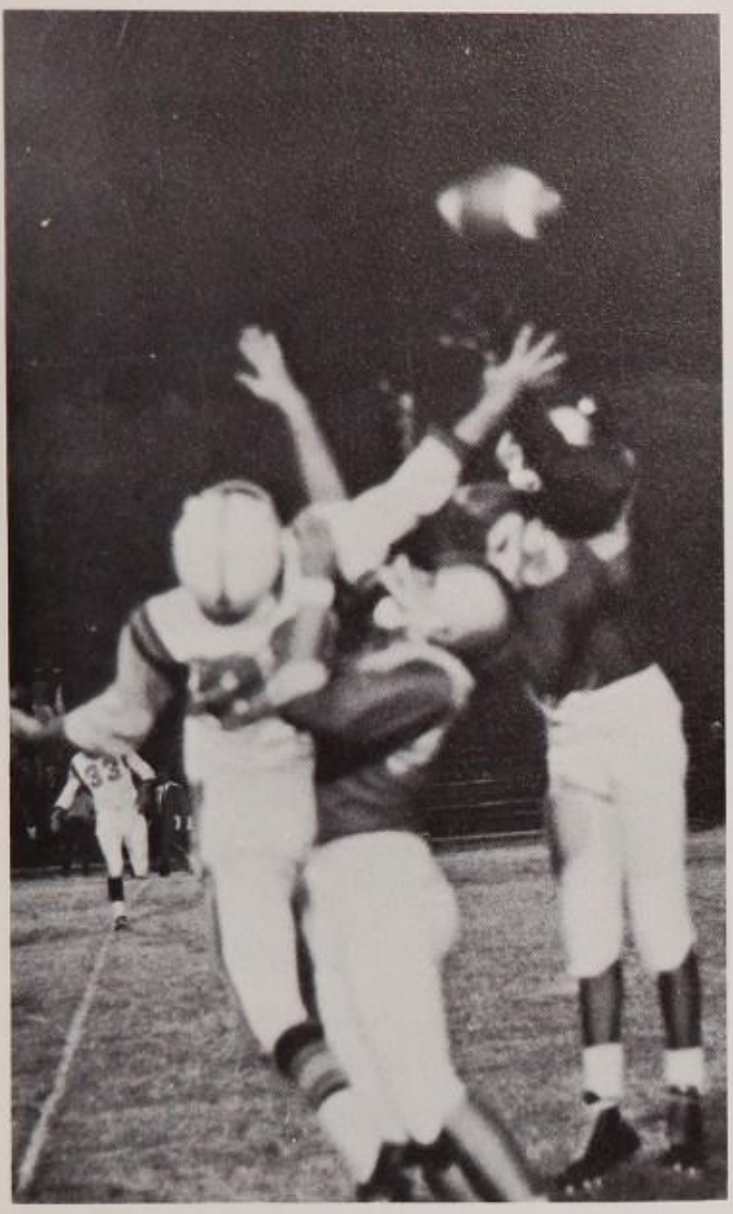
End Ray Akins leads the way as the team runs through the spirit ring after the halftime show.

Quarterback Greg Davis is brought down by Hunters after a run around end in the game with Canoga.

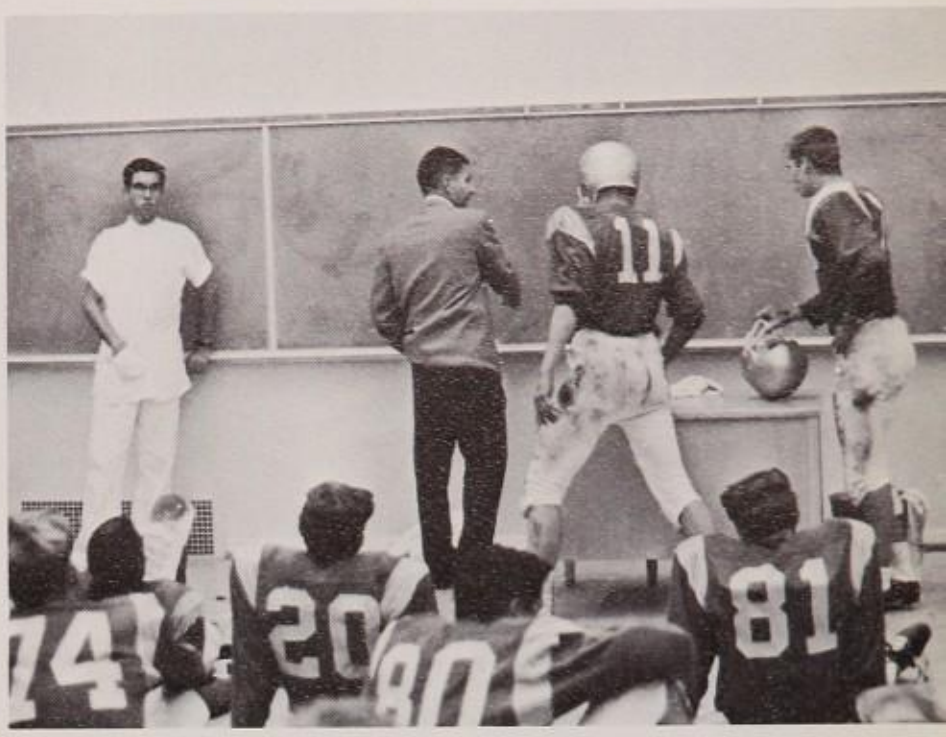


Quarterback Gary Berthelson gets help too late from Harris as a Birmingham Brave stops his progress with the ball.

On Football Field

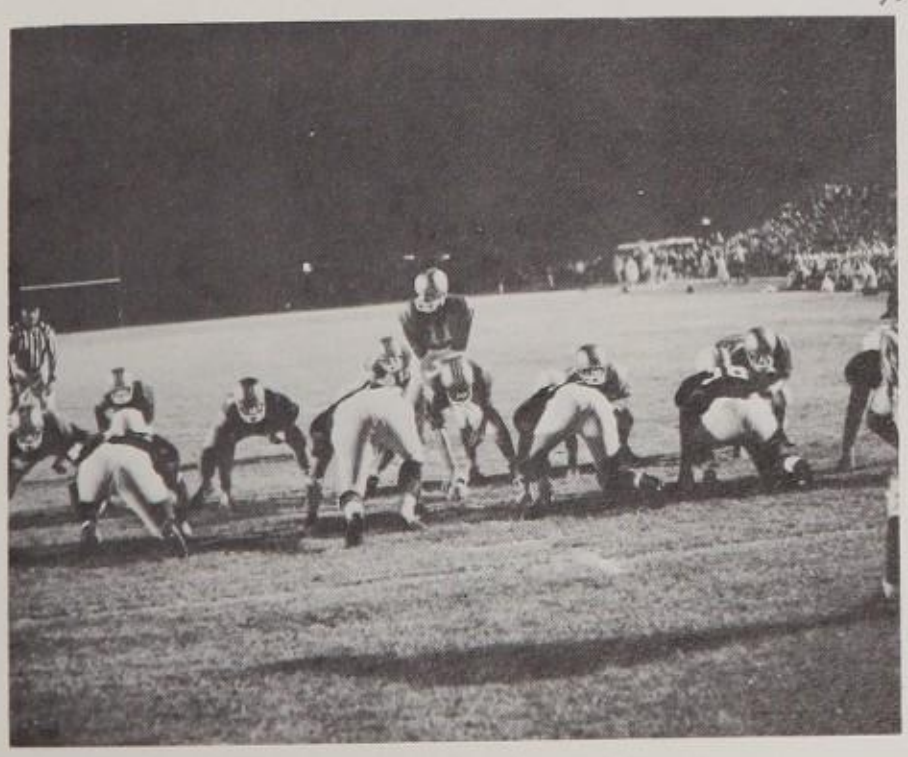


Walter Harris and friend prevent the completion of a Warrior pass in a practice game against University.



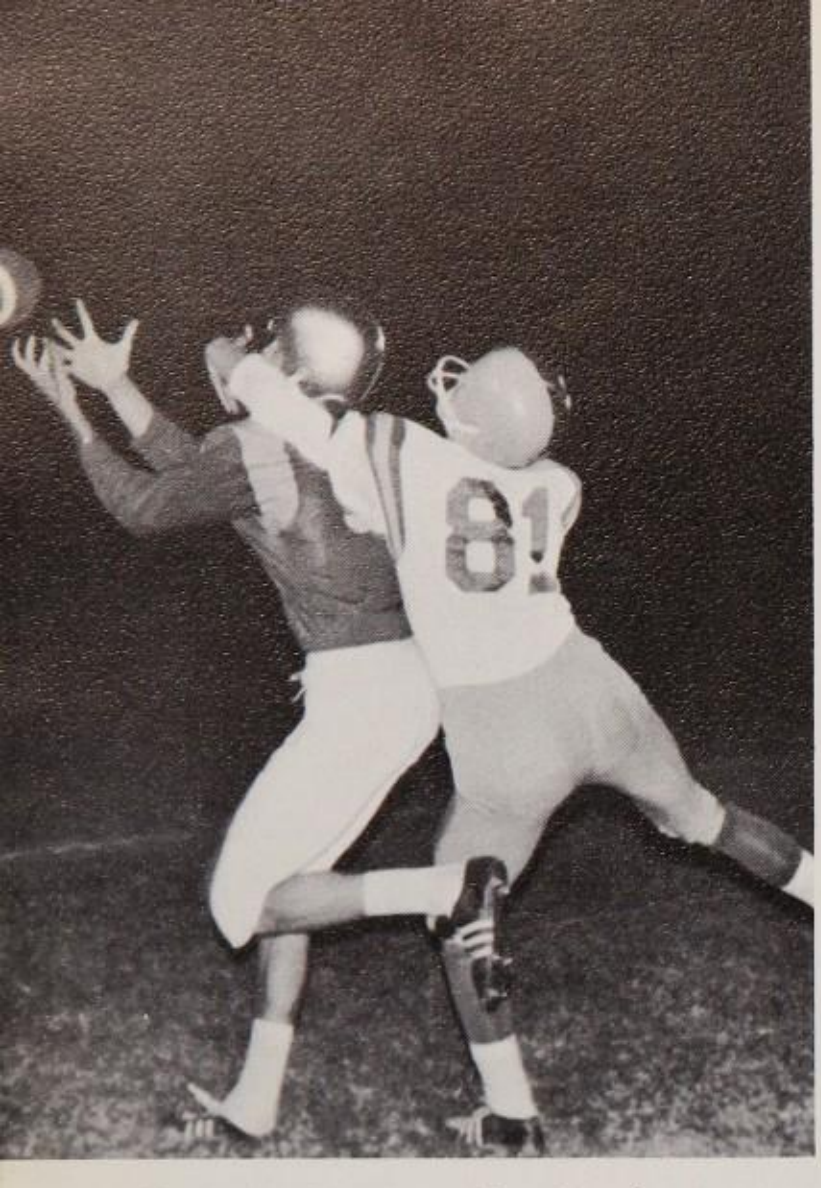
During the halftime coach Hal Lambert gives quarterbacks Gary Berthelson (11) and Greg Davis some pointers as others wait their turn.

Finishing off the season with a 2-3 league record, Taft showed off the best football team in three years. There were many outstanding players such as junior Mike "Zekiah" Helwig, halfback, who, while breaking Mickey Cates' old record, placed himself as top all-valley rusher of the year. Also leading the way was Jay Carpenter whose consistently great performances as right tackle won him much recognition. Other stand-outs were Mike Shatsky, guard; Steve Phillips, center; Chuck "Animal" Helseth, tackle; Greg Davis and Gary Berthelson, quarterbacks; Bill Hubbard and Ferg Hunter, fullbacks; Alan Weiss, Erland Gulbrand, and Walter Harris, halfbacks; Dick Dagostino, Ray Akins, and Steve Hinsey, ends; Jim Yount, guard; and Charlie Waight, tackle. At the close of the season a banquet was held at which awards were given out for individual achievements during the year. Those receiving awards were: Jay Carpenter, Captain, Most Valuable Lineman, Most Inspirational, Most Points Scored Defensively; Mike Helwig, Most Valuable Player, Most Valuable Back; Gary Berthelson, Most Improved; Richard Stansbury, 100% Award; Steve Phillips, Most Valuable Lineman; and Mike Shatsky, Captain.



Eleven Toreadors were matched against eleven Parrots in an exciting practice game with Poly, the East-Valley League Champs.

An unidentified Taft player carries the ball for a considerable gain against Granada Highlanders.



A Birmingham Brave lunges for a Toreador receiver, but moves too late to prevent a Taft gain.

All-valley leading rusher Mike "Zekiah" Helwig is brought down by a Marshall Barrister after one of his many yard-gaining runs.

Toreador fans hold up the victory sign as they sing the alma mater after an exciting game.

. . . The Champs!

Victory is practically a synonym for Taft where BEE football is concerned. In its third year of existence, eight boys were chosen for the West Valley all-league teams and for honorable mention awards.

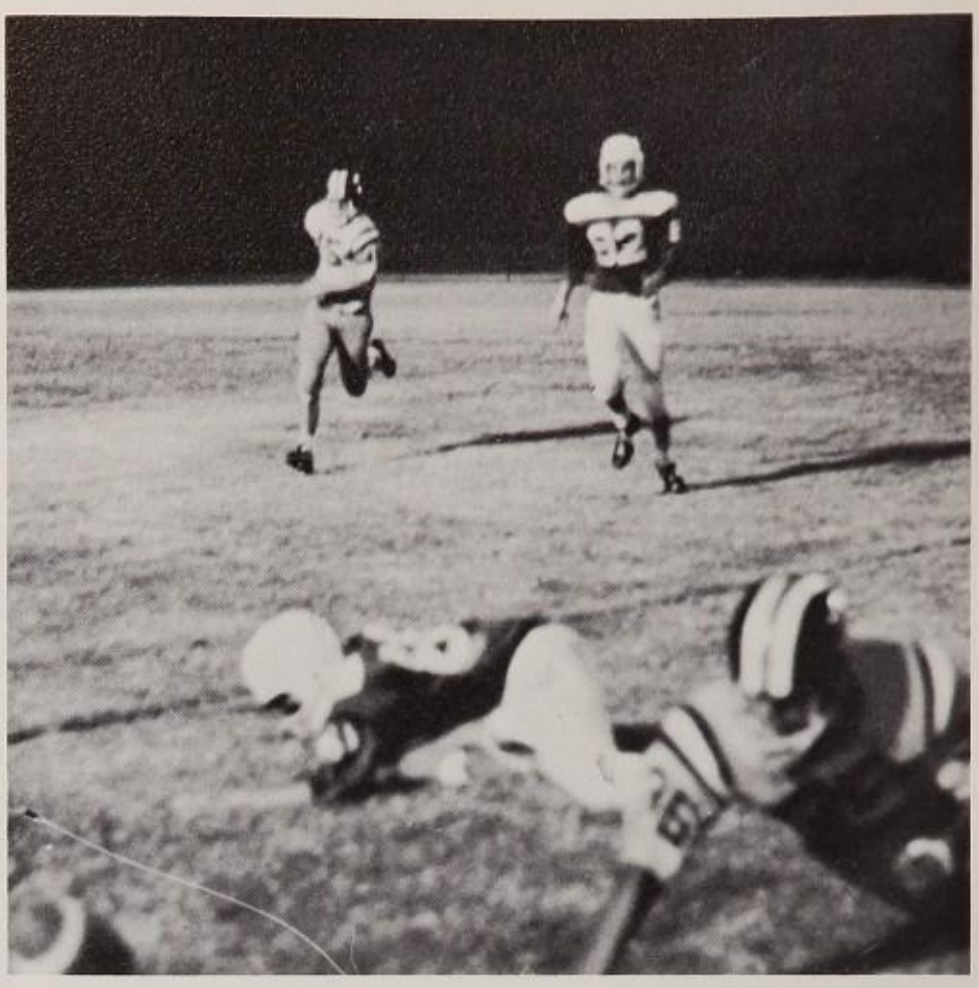
The greatest individual honor was given to John French, chosen All-West Valley Player of the Year, unanimously, by the league coaches. In addition, French has twice received recognition as the Most Valuable Back. He averaged about seven yards per carry and went over for four touchdowns.

Other members of the first team: Dick Davidson, end; Bill Kringlen, tackle; and Phil Akerman, back. Davidson caught eight touchdown passes, and coach McCaffrey called him "the best end in the league." Kringlen was named Taft's Most Valuable Lineman; and Akerman has been a superior back.

Coaches Stam and McCaffrey go over a new play for a coming game, confident of their team's abilities and another victory.

Bruce Cates (41) carries the ball for a successful gain against Poly at Pierce College.

Bob Sterling (20) hurries to help teammate Phil Akerman, but is too late as Akerman is brought down after a considerable gain.



A toreador Bee lunges after a fumble by Canoga as teammate rushes over.

Continuing on from the last season, the Bee Football team started winning all of their games again in 1963. Starting with the University practice game, they went unscored-upon for four games and then allowed Granada Hills to make only one TD. Although they won sixteen games in a row, their hopes to finish the season undefeated were ruined when a fired-up Birmingham team dumped them 12-7. There were many outstanding players this year such as: John French and Jeff Clinite, tailbacks; Phil Akerman and Bob Sterling, halfbacks; Ron Bushore and Dave Shafer, blocking backs; Dave Alkire and Dick Davidson, ends; Greg Dagostino and Bill Kringlen, tackles; Terry Steyer, Dennis Matika and Scott Niniger, guards; Doug Herthel and Jon Anderson, centers. A banquet was held in December at which awards were presented to boys for individual achievements during the year. Among these boys were: John French, Most Valuable Back and Captain; Terry Steyer, Most Valuable Lineman; Dennis Matika, Most Improved Player; Jeff Clinite, Most Inspirational Player; Bill Kringlen, Most Valuable Lineman; Phil Akerman, Captain; and David Alkire, Coaches' Award. The whole team is to be congratulated for an outstanding season.

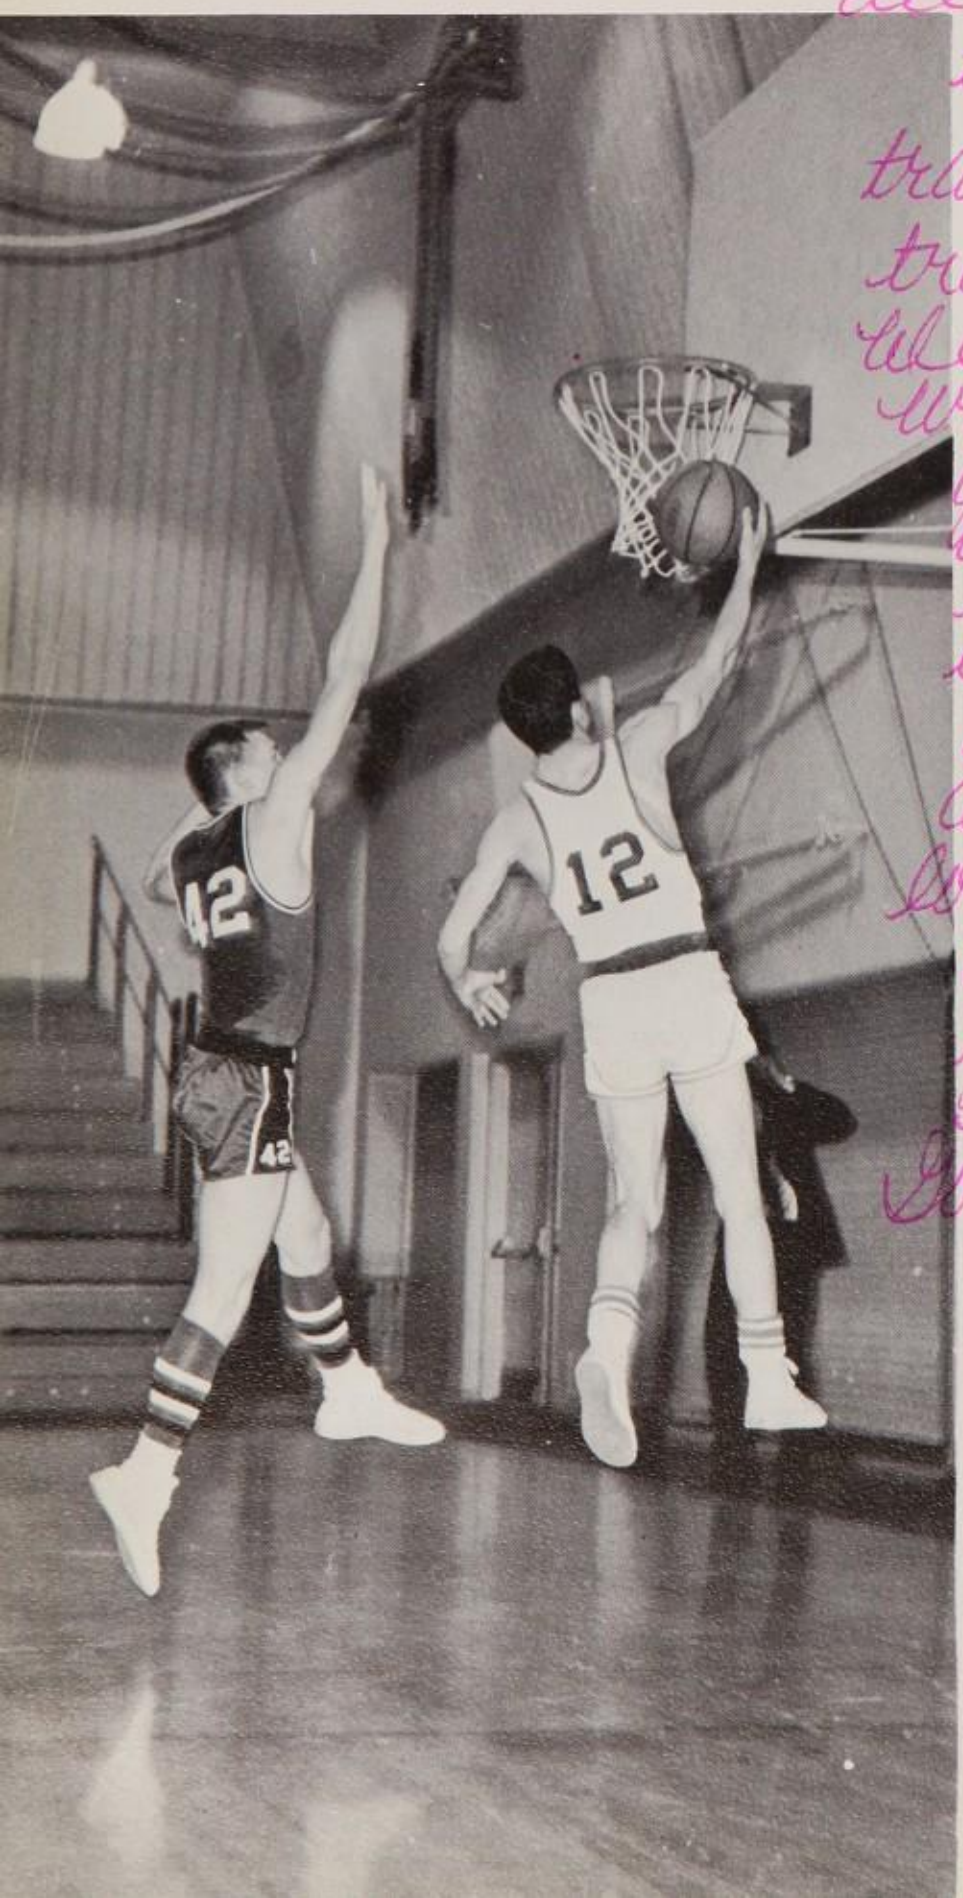
Varsity Basketball

Ken Patton stretches for a jump ball as Dan Crawford and Alan Bennett wait for the tap.

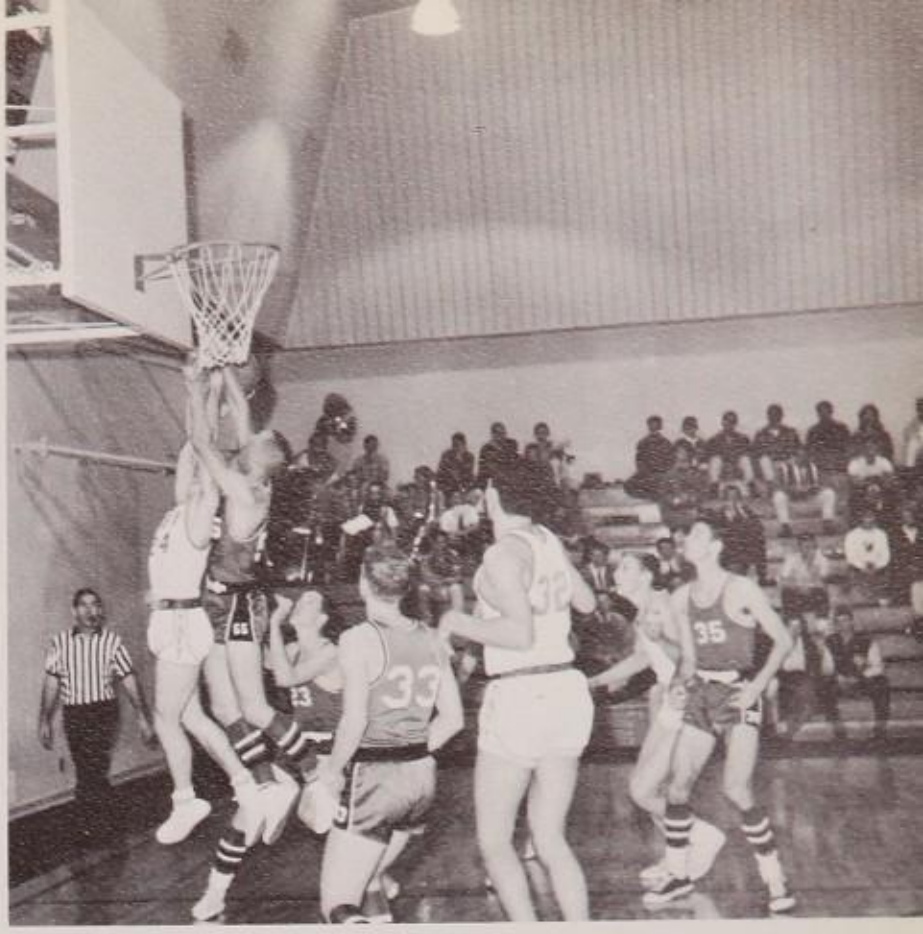
Alan Bennet dunks another two points for Taft in the first game with Granada Hills.



The Varsity Basketball Team has many returning lettermen this year. After taking second in league and going to the all-city play-offs last season, our boys worked hard to take the lead position this year and were expected to do so. Although the practice games were not all won, and the team ratings went down, those games seemed to key down the team as it raced through a fast first round of play with a 4-1 record, losing only to Cleveland, our single defenders of last year. Several outstanding players should be noted, all of whom are seniors. There were: Alan Bennett; Scott Dunlap; Joe Rupe; and Tom Seitzler.

Left to Right: Art Reichle, Alan Bennett, Andy Maron, Dick Lynn, Scott Dunlap, Chuck Campione, Joe Rupe, Larry Dierker, Ken Patton, Dan Crawford, John Ureda, Tom Seitzler, Coach John Furlong.

"Now, the object of the game is to get the ball into the basket," explains Coach Furlong to the varsity team at halftime.



Scott Dunlap goes up for a shot as Tom Seitzler rushes over to help in a fast game with the Highlanders.

Dear Anita,
I guess I won't be seeing you much anymore. I'm sorry to see you go, but I owe you the best of luck at Taft. You'll miss you at the football games. Thanks for being my friend. You're a doll.

Cross

Taft's Varsity Cross Country squad, led by Toreador Vick Krohn, finished third in league competition this year. Coach Dale Lythgoe gives credit to his boys for their extremely strong finish in the league and city finals. Taft's "Most Valuable Runner", Vick Krohn, finished second in the Valley and thirteenth in the City. Other outstanding Varsity lettermen were Ross Bogert and Dick Bedal. Three outstanding runners sparked the Junior Varsity squad: Rob Dickenson, Jorge Camacho, and Wayne Casavan. Jerry Giacinto was a strong representative in the league finals finishing third for the 10th graders. These Taft Cross Country squads are to be congratulated for a great season!

VARSITY TRACK TEAM

With many outstanding members, Taft's varsity track saw a very successful 1963 season. With returning lettermen in most events, the best of times and marks were made all year. The top sprinter, Phil Ender, hit an official 10 flat in the 100 after the close of last year's season, and though slowed down at the first of the league competition by a leg injury, he certainly showed his ability to help the school to victory. Returning Bee letterman, John French, and newcomer Jeff Griggs, with best time of 10.2 in the 100, as of April 1, gave Ender a run for his money, as well as other competitors. The same three boys were just as close to each other in the 200, with times of 23.2. Walt Harris was first man in broadjump, passing the 22 foot mark in the third meet of the season. Ross Bogert was top man in the 880, and Vic "Ankles" Krohn again the leading miler in the valley. Tom Denson again whizzed over the high hurdles and lows, trading first and second places with Ron or Don Borum, depending on the race. Rob Mason was leading man in pole vault for the second year. Jay Carpenter did a great deal this year in shot put, and Jerry Ross in the high jump. Other standouts were Steve Kaufman and Bob O'Neil in the 440; Scott Dunlap in the 880; and Dan Crawford in the high jump.

After a good start, these Taft Bees went on to take all three places in the 220.

BEE TRACK TEAM

The Bee Track team has proved itself powerful for it has rarely lost a meet. Field events this season were very successful. Kent Grainger jumped over 20' in the broad jump. Improving every week, Larry Kerr has hurled the shot 45'6" in the shot put. Mark Gustafson cleared 5'5" in the high jump while in the pole vault Hal Shaw cleared 10'6". Sipple timed at 1:29.4 in the 660. Allen timed at 10.8 in the 100 and 23.7 in the 220. Also Brenner streaked to a 23.9 in the 220. Fleetfooted, Cates dashed to a timing of 19.7 in the high hurdles.

Taft's Dave Mitchell easily clears the bar in Varsity high jump as he attempts to earn needed points in one of the meets.

Excellence

Halfway through the bee 100-yard dash it's hard to tell just who will win. Kent Grainger (far left) and Gary Allen (far right) seem to have the lead, with Chatsworth and Taft's Rick Ruja in second place, and Phil Wilkins and Tom Brenner just a step behind.

And Cee Track Led the League

This year's outstanding Cee Track relay team: Bill Lathrop, Danny Porter, Mike Cohen, and Gordie Zabik.

The Cee Track team had one of its best seasons this year. Bill Lathrop broad jumped 18'6" which is near the Cee record. Greg Sterbens led the shot put at Taft, and Marshall Pattison high jumped 5'2". Bill Butterworth made a new school record pole vaulting 11'.

VARSITY SWIM TEAM

With the majority of its members returning lettermen, the 1963 season was the best for the varsity swim team in the three years of the school's existence. As this goes to print, the Toreadors have already met with their archrival, Birmingham, the only school that has stood in their way to the league championship. This year our boys whizzed through a tense meet, with outstanding performances by everyone, to lose by a single point, 48-47. But the charters were especially proud of them for this near win. The team hosted many fast swimmers: Butch Nelson, a tenth grader in his first year on the team, has already broken the school records in both the individual medley, 2:19.2, and the 400 freestyle, 4:25.5. Steve Danielsen holds the record in butterfly for both the school and the league. He also has broken Jeff Calvert's 200 free record, bringing it down to 1:59.4. Jeff is one of our top swimmers and has set a new backstroke record of 1:06.8. Jim Keller was the best man we had in the 50 and 100 free. Last year he held bee swim records in those events, as did Bob Parker in the bee butterfly. Fred Shaw was still another excellent swimmer who brought in many first and second place points for the team. The free relay set a new record of 1:38.0, but all above times are as of April 1, and have possibly been improved since then.

BEE SWIM TEAM

Keeping in step with the varsity squad this season, the bee swim team had many good swimmers for the size of the team and many victories. Among those swimmers, not pictured individually, who also did good jobs in their events were: Arne Haaland, Don Cuccinello, and Bill Regal. Gary Sharp, a newcomer this year, broke several records during the season in the individual medley and butterfly, and helped, along with Jeff Tierman, Paul Pilger, and Jim Coleman, to make the 200 free relay team one of the best.

CEE SWIM TEAM

Among this year's newcomers to the cee swim team were some outstanding competitors. Chris "Mouse" Jensen was the leading man, breaking many records during the season. Mark Kadlec, a returning member, and Rick Braithwaite took firsts and seconds in various events, and Larry Carp worked hard enough to be move up to the bee squad. Bob Baird and Arnie Glassberg were also point-earners for the school this year.

GOLF TEAM

While enjoying the various courses in the neighborhood, this year's golf team, under the direction of a new coach, Mr. Clark, showed itself off as one of the best. With returning lettermen to lead the way, each week our boys played themselves toward another win. Every day they were off to improve their game for the next week's contest and, of course, to relax after a hard day at school. Coach Clark, we officially welcome you to our school.

Coached by Ray O'Connor, the 1963 baseball team boasted many outstanding players. Bill Hubbard, second baseman and two-year letterman, hit a grand-slam homer that won the North Hollywood game, and has repeated this performance since then. Chris Novak, a junior, is the best gloveman in the West Valley and a good switch hitter with great potential. Ray Akins was an especially good pitcher until an injury prevented his continuing. Now he is a fine hitter as was displayed in his homer against Reseda. Tony Montemoreno is a powerful first baseman and scouts already have their eyes on him. Bill Kringlen, "the quiet man", will be Taft's finest third baseman in its history. Jeff Clinite, "the mighty mite," has used his clutch pitching to pull Taft through many dangerous plays. Teddy Cox has a fine arm, real speed, and all-around ability. Woody Veerkamp is the only tenth grader on the team this year. His winning double against Birmingham proved his ability under fire. Al Janis is a right fielder who gets the jump on all balls. According to Coach O'Connor, Andy Maron was the best all-around player of the year. Al Davis, Taft's great catcher, possesses the best arm in the league. Larry Dierker, who led this year's pitching corps, pitched the most innings, had the most strike-outs and wins and the fewest walks of the year. Junior Steve Hinsey displayed fine ability as did two-year letterman Bob Rose whose biggest game came against Cleveland.

J.V. BASEBALL

The potential of this year's junior varsity baseball team seems to indicate a great varsity team next year. With four pitchers, the team saw an excellent season, for all four were outstanding hurlers: Mike Shamony, Bob Andrews, Dennis Vernon, and John Novak. Dave Tunik, Guy Hansen, Dick Davidson, and Brian McKown, the basemen this year, were all quick boys and fine hitters. Scott Ninegar, shortstop, and outfielders, Lee Green and Dale Appleby, were rated by the coach as having good throwing arms and being fast on the move. Ron Bushore and Jim Fikes did great jobs as catchers, and Coach Hal Lambert feels that the team had a very successful season.

TENNIS TEAM

Through skill acquired from diligent work, Taft has developed an outstanding tennis team. Ken Howard, first man, is a stiff competitor and a team leader. Don Saltzman, second man, fought doggedly for each point. Mark Mathews, third man, is a sophomore with great ability and poise for a first-year player. Mike Bergman can be depended upon for victory when Taft needs that extra match, and Mike LeVantine has been the best "come from behind" player of the year. Doubles team Mike Glazer and Stu Mims fought hard to win, and the team of Dick Lynn and Stan Furmanski may prove to be the best in the league next year. With Ken Howard rated as the best player in the league, all in all, the team had a very good season.

This year we have looked to the individu achievements of the students of Taft. This w the basis for recognition in King Arthur's da and although the immediate reward of today not as salient as gaining knighthood was, th ultimate rewards are the same—success gaine through a consummate performance.

Our last page is in recognition of the peop who helped to put this book together; it cou not have been possible without them. First, an foremost, is our wonderful sponsor, Mr Francine Belkind, who kept calm no matte what the occurrence and worked harder tha any of us on our deadlines. Marlene Brento and Barry Green both did good jobs in th winter semester, Marlene as Seniors and Club editor, and Barry as the editor for Sports an Special Events. Arnie Glassberg was busines manager for us and we missed him when h couldn't continue on in the spring.

But the big jobs were in the spring semeste with more activities and deadlines. Staying a the school until 11 o'clock was nothing, especial ly when we had a catered banquet from Chicke Delight. My deep appreciation goes to th whole staff: Marcia Sanger, Copy editor in th fall and Seniors editor now; Janet Dinkin, Club and Organizations editor and Photo editor Linda Lasater, our Business Manager; Jan Larson, our Copy editor; John Vergona, Ar editor; Rick Van Dam, editor of Faculty an Underclass; and Steve Krause, Chad Doherty and Gary Steelberg, Staff photographers. The put in much time and effort to make the book a good one. My thanks go also to Mrs. Marcia Isaacs, Mr. Jim Lawlor (who helped us at our "banquet"), Mr. Paul Kluth, Mr. Jerry Mogalian (White's Studios), and Mr. Robert Hopkins (our representative from Mirro-Graphic Print ers who gave us so much time and patience).

Also, the Sales Class and Student Cabinet were tremendous help in the selling of sub scriptions.

Most of all, we thank you the students and faculty. Without you there would have been nothing to put into the annual.

We, the staff, are quite proud of what we have produced. It was a pleasure and an ex perience for me to have been a part of this group of creators.

Sincerely,

Chris Boon Hartsinck
